

Enrolment for 2023 – 2024

Enrolment sessions will be held as shown below or will take place at the first session of each class. All members who attended classes last term will automatically be reserved places unless we have been advised that they no longer wish to continue.

Where groups have a waiting list, if a member does not attend for three consecutive sessions without informing the tutor, their place will be reallocated.

If you are a new member, please check for availability of places or, if you would like further details of any course, please contact our Chairman on:
